No-Show / Cancellation Policy

Please Read Carefully

We realize that emergencies and other scheduling conflicts arise and are sometimes unavoidable; however, advance notification allows us to fulfill other patient's scheduling needs and keeps the clinic operating at its most efficient level. Due to our one-on-one 60-minute treatments, missed appointments are a significant detriment to your physical therapy, the clinic and other patients.

1. You must provide our office with **24-hour notice** to change or cancel any appointments. Patients who "no-show" a scheduled appointment or do not provide 24-hour notice to change a scheduled appointment will be charged a **\$50 dollar fee**.
2. We reserve your one-hour appointment time just for you. We do our best to provide 1:1 optimum treatment outcomes for all our patients. 24-hour notice allows us to place another patient in your cancelled appointment period to receive needed treatment.
3. Certain accident claims adjusters expect regular attendance to physical therapy as a requirement of an approved treatment plan. If appointments are missed or cancelled on a regular basis it could affect the status of your claim. Your treatment plan has been established by your medical practitioners to get you back to your regular activities as quickly as possible. Missing appointments hinders that process and may end up prolonging recovery.
4. After missing two appointments without notice or canceling two appointments in a row, you will also be placed on a same day scheduling policy for your treatments, which would not allow you to schedule any appointments in advance. If canceling or not showing up to your appointments becomes a habit we will notify and transfer your care back to your primary provider.

***Thank you for providing our office and our patients with this courtesy.
Signing below indicates you understand and agree to the terms of this policy.***
